

## **John Edwards**

*John Charles Edwards*

*John Edwards is a patient man,  
He loves to help all those he can.  
He'd give the shirt right off his back,  
And care for those under attack.*

*He honors God and serves the Lord,  
He gives more than he can afford.  
He brings you joy when you are sad,  
He is the greatest man, my dad.*

*As I was growing up in school,  
He made me learn the Golden Rule.  
To treat the world as I, myself,  
To honor God instead of wealth.*

*He loves to sing God's praises loud,  
All by himself or to a crowd.  
A man of faith and preacher too,  
He'll do whatever he can do.*

*Now I am grown, with mouths to feed  
He's still around when I'm in need.  
To give me comfort, hold my hand  
The greatest dad in all the land.*
