

## **Leola Jean**

*Leola Jean Smith*

*What a woman, Leola Jean,  
Most resilient woman the world has seen.  
Loving mother, faithful wife;  
She loved the Lord and treasured life.*

*A helpful friend to those in need,  
She proved her faith in word and deed.  
Four kids she had to bring her joy;  
A little girl and three small boys.*

*Her life has been a light for all,  
From young and old to big and small.  
Her faith remained secure and strong;  
She lived for God the whole day long.*

*She lived her life a step above,  
Woman of honor, trust and love.  
She gave so much that went unseen,  
There's no one like Leola Jean.*
