

## **Little Cameron**

*Cameron Michael Edwards*

*Little Cameron, you're our boy.  
You fill our lives with boundless joy.  
We hope, one day, that you will know,  
The depths to which our love will go.*

*You are so precious in our sight.  
We'll keep you safe and hold you tight.  
We'll be with you through thick and thin,  
From hurts without, to hurts within.*

*Thank-you Lord, for this young child,  
Our precious boy, so meek and mild.  
We place his life within your keep.  
Please give protection while he sleeps.*

*We pray you grant us patience when,  
Our own attempts seem frail and thin.  
We pray his days are filled with fun,  
Bright and clear with the rising sun.*

*Little Cameron, we see you there,  
Small and content, without a care.  
We love you, Oh, so very much!  
You completed us with your touch.*
