

Randy Himegarner

Randy Alan Himegarner

*Randy was our dearest friend,
He fought for life until the end.
He taught us how to treasure life,
With hope and peace, instead of strife.*

*A loving husband, dad and son,
He filled our lives with joy and fun.
He showed his love to those in need,
And proved his faith in word and deed.*

*He loved to camp; to hunt and fish,
To enjoy himself, his only wish.
His life has been a light for all,
From young and old to big and small.*

*He lived his life a step above,
A man of honour, trust and love.
He touched us in so many ways,
We'll keep his memory all our days.*
