

## **Robert John**

*Robert John Edwards*

*How great a man is Robert John?  
A faithful husband, loving son.  
A caring father to his boys,  
He's filled our lives with boundless joy.*

*A helpful friend in time of need,  
Most honest man the world has seen.  
He risked his life in WWII,  
To save this land for me and you.*

*His life has been a light for all,  
From young and old to big and small.  
His faith remains secure and strong,  
He lives for God the whole day long.*

*He lives his life a step above,  
A man of honor, trust and love.  
For 80 years, he's lived this way,  
No man's as great, as Robert J.*
